	FISHING CONTROL. Initiative measure presented to, and not acted on by, Legislature. Adds new section to Fish and Game Code. Prohibits operation in State waters of fishing boats which deliver fish, mollusks or crustaceans, wherever caught, to points beyond State waters, unless such delivery is permitted by State Fish and Game Commission. Authorizes Commission to issue revocable permits for such delivery; declaring it shall issue no permits which will tend to deplete the species or result in waste thereof or obstruct the operation of any law. Provides for penalties, seizures and forfeitures for violation.		TAXATION OF INSURANCE COMPANIES. Senate Constitutional Amendment 1. Adds section 14½ to Article XIII of Constitution. Declares insurance companies and associations shall be taxed 2.6% upon amount of gross premiums, less return premiums, received upon business done in this state subsequent to December 31, 1937, other than premiums for reinsurance and ocean marine insurance. Eliminates existing constitutional provision for deduction of reinsurance premiums paid to other admitted insurers; otherwise section 14 of Article XIII remains unchanged. Declares effective dates of amendment with respect to business transacted in this state by such companies and associations.
